BVI POLICIES

Class level placement

Upon taking a placement class, dancers will be placed in a level best suited to their ability. Advancement is considered on an individual basis. Many factors are considered with each dancer's physical development, strength and technical ability.

Attendance

Regular attendance of classes is essential in order to advance through the levels of study. Classes may be made up if there is an appropriate class available (same level or lower).

Private Lessons

Private lessons are \$60 per hour to instructor. Semi-private lessons (2-3 dancers) are \$50 per dancer paid to instructor. In addition, there is a \$10 per hour studio rental fee paid to BVI.

Payment is due at time of lesson.

Late pick up policy

All dancers must be picked up immediately after class, rehearsal or performances. There will be a \$10 charge for every 15 minutes a student is picked up late. This is to be paid directly to the adult who has waited with your dancer.
