

SNOW WHITE THEATER INFORMATION

Spacing and Dress Rehearsals:

All dancers must arrive ready to dance at the designated time with leotard & tights on UNDER street clothes, hair and make-up complete and shoes in the ballet bag. Dancers should always bring something warm to wear (a thick sweatshirt and sweat pants to keep warm when not dancing). Bring a book to read or homework to do, and a water bottle to have while waiting. Active electronic devices (cell phone calls and texting), as well as electronic games and cameras are NOT allowed in the theater EVER. Keep cell phones and other electronics in the dressing rooms at all times. DO NOT bring any valuables to the theater. ALL parents must leave the building (except designated volunteers) during Spacing and Dress Rehearsals.

The directors would like to remind parents and dancers of the following:

Please make sure young dancers have had a snack or light meal prior to arriving. NO food will be allowed in the dressing rooms or theater. All dancers are to remain in dressing rooms until called or escorted by a volunteer. When on the stage, backstage or in the theater, all dancers are expected to wait and watch quietly and respectfully. Everyone (dancers, staff, volunteers, etc.) must be kind, thoughtful, and respectful and on their best behavior at all times. Running around in the theater, box seats, lobby, and backstage area is not allowed. This type of behavior will not be tolerated. Dancers need to be sure belongings are clearly marked. BVI is not responsible for lost items of any sort. All costumes and headpieces are the property of BVI and are to be treated respectfully. No costume or parts of a costume should ever leave the dressing room or building with a dancer.

Important Details for Sandler Center for Arrival, Check-in, Parking and Pick-up:

Do not arrive earlier than posted as there will be no one to monitor early arrivals. The Sandler Center is located in Town Center, Virginia Beach. Parking is free in the garage across from the theater. The performers entrance/stage door is located on Commerce Street, across from the Westin. This door is manned by building security and a doorbell. **Dancers may ONLY enter and exit through this door.** Volunteers will be inside waiting for dancers to arrive. Dancers will then check-in and a volunteer will take them to the appropriate dressing room. We will not allow any dancer to leave without directly placing them in an adult's hand that we recognize. All dancers must be picked up directly following the end of dress rehearsals and performances.

Questions:

Always check the performance bulletin board at the studio as well as the BVI website, where all the Snow White information will be updated as needed. The following contact info is FOR EMERGENCY USE ONLY. Last minute questions can be answered by checking on the website or asking a volunteer at the stage door. If there is an illness or any other family emergency where a dancer cannot perform, contact the Directors immediately so they can quickly arrange for an alternate cast member.

Ms. Suzanne at 757 581-4691

Ms. Janina at 757 450-4377
