

Dear Friends of Ballet Virginia,

Welcome back to the 2022/23 academy year! The Ballet Virginia Guild (BVG) is excited for the new season, new classes and helping to ensure our academy students have a fun and successful year!

Please mark your calendars for the **BVG info meeting on Saturday, September 17th**, the same day as Nutcracker auditions. We will discuss volunteer opportunities throughout the year and all the fun ways you can get involved. Please see the **2022/23 Committee Leadership** listing for committee descriptions and available positions. If you have immediate questions, please feel free to contact me at [lara@balletvirginia.org](mailto:lara@balletvirginia.org).

As you know, BVG's mission is to support Ballet Virginia through volunteer opportunities and fundraising events. There are no member dues or fees. All the funds raised are put towards the academy and our students. Participation is not mandatory but whatever time and assistance you can provide is deeply appreciated.

**Our success is measured by the strength of our membership.** I am so very grateful to all our committee chairs and current/future volunteers who are working hard to help grow and build the Guild into such a positive force.

We hope you will join us to help make this year our best one yet.

Kind regards,

*Lara S. Pham*
